

EMMAUS

A C A D E M Y

We are overjoyed by the growing interest in **Emmaus Academy** — the Lord has truly blessed us! For the **2025-2026 school year**, our enrollment is now full, and we are not accepting new students at this time.

Looking ahead to the **2026-2027 school year**, we will begin **Parent Interest Meetings in late January**, along with an **Interest/Waitlist** option.

Please note that **anyone wishing to join the Interest/Waitlist must first attend a Parent Interest Meeting** and provide a **\$50 non-refundable deposit per child** before being added to the list.

Joining the Interest/Wait List **does not guarantee a spot** for the 2026-2027 school year. Enrollment decisions will be made by **late summer**, with **official registration opening in early summer**. As for enrollment decisions current families and their upcoming siblings would be accepted first, followed by those on the Interest/Waitlist.

Please visit our website again **after January 6, 2026**, for specific dates and details about joining our exciting school community Parent Interest Meeting. As always, we ask that you continue to pray with us as we daily strive to love God and love these precious children.

If you wish to explore more about our school, please click here to view our **Parent/Student Handbook**, which outlines our philosophy and structure.
