This is a combination of all grade levels doing special music for the hoilday season!

NO BREAKFAST WILL BE SERVED

Instead, we will be hosting a winter/gift shop for you to enjoy! We'll have small business owners have produces for you to purchase!
(this is NOT a fundraiser, sellers make the whole profit)

So, if you have a small business or know someone who does, please connect them with this opportunity!
Last year we had, earrings, granola, bread, and more!

Hot Lunch Day's Dec 3rd

Breakfast for Lunch!
Pancakes, Eggs, and Bacon
Homemade by Kate Safarik

Back by popular demand! Sign-up next week

Looking Ahead: 2027–2028 School Year
NEW TEACHERS

As we prayerfully consider the future growth of Emmaus Academy and the possibility of adding to our staff, we want to begin early in finding teachers who share the heart, passion, and commitment to excellence that we value so much in our current team. If you know quality educators who may be interested in joining Emmaus for the 2027–2028 school year, please encourage them to reach out to our Head of School to express their interest. We appreciate your help in connecting us with wonderful teachers! A school goal would always to have new staff for the following year hired before 26-27 concludes.

No School Thanksgiving Week Nov. 23- 26th
No Assignments will be given.

Winter Break December 17th to January 5th (Students return January 7th)
Winter Break Assignment Requirements

As we head into winter break, we want our students to enjoy a well-deserved time of rest while also keeping their minds sharp! We don't want to lose the progress and learning we've worked so hard to build this semester. Each subject will have the equivalent of two days' worth of assignments. This may look like traditional assignments or a project. If a project is assigned, teachers will collaborate to combine two subjects into one meaningful learning experience. For Math, most teachers have recommended a review packet to help students keep their skills fresh.
Our goal is to find a healthy balance between enjoying family time, celebrating the season, and keeping those minds growing. A little practice goes a long way!
